This puppet outline is for the story of the Good Samaritan, and the Good Rag-picker. Trace this shape onto cardboard, and cut out the puppet. Give each character an appropriate face and clothes:

For the **Good Samaritan** story, the Priest and Levite should have robes made of expensive-looking material, the Traveller and the Samaritan should have ordinary cotton robes. Use the pattern at the bottom of this sheet, and tie the robes around the waste with wool or string.

For the **Good Rag-picker** story:

- Give the Politician a western-style suit, either drawn on or cut out of cloth or paper.
- The Tourist can wear a bright T-shirt and trousers.
- The Taxi-driver should have an evil smirk, and wear a shirt and trousers
- The Traveller should have ordinary clothes.
- The Rag-pickers should wear a strip of ragged cloth around the waist, and a T-shirt.

Robe pattern for Bible characters.

Making Fairy Bread

Sharing what I've learnt

"Ask Me" buttons

Copy these badges onto light card. Children cut out and colour their badge, and decide on something they've learned about that they would like to share with others. They draw a picture in the middle of the badge. Punch a hole in the top, and provide safety pins.
