

Show your kids
another
world!

Introduction

Thank you for choosing to use the **Kids 4 Kids** Classroom Lessons. We hope you and your kids will enjoy the activities, learn a lot and find a range of ways to respond to the challenges of our unequal world.

The **Kids 4 Kids** program is designed to help you to:

- introduce your kids to children who live in poor communities in the Third World
- teach your kids about God's love for all children
- help your kids find ways to respond and bring change for children around the world.

We hope you and your children enjoy exploring this important topic.

Please contact **TEAR Australia** on **1800 244 986** if you have any questions.

The Kids 4 Kids Classroom Lessons kit contains:

Lesson Materials for Teachers

- designed for **junior, middle** and **upper** primary levels
- three lessons for each age level, with a number of activities allowing you to extend the lessons

- contains both **key** activities

and **optional** activities

- approximate timings to guide your choice of activities, so that you can adapt the materials to your students and your teaching context
- able to be adapted, modified and restructured to your heart's content!

Resource Materials

- for **junior, middle** and **upper** primary levels
- fully referenced to the teachers' notes
- able to be photocopied, made into OHT's or whatever is most appropriate in your context.

Video: The Rag-pickers of Delhi

- featuring real life situations and real children from TEAR partners' work in New Delhi
- runs for 11 minutes.

Two teaching posters

- featuring the children you meet in 'The Rag-pickers of Delhi'
- includes an explanatory sheet to help you talk about the posters with your children
- for use if you are unable to show the video
- for use for revision in Lessons 2 and 3
- for display and reference throughout the program.

Colour photographs

- showing the work of SHARAN, one of TEAR Australia's partners in New Delhi, India
- includes an explanatory sheet giving information about each picture.

A set of supplementary materials

- a simulation game
- background information for teachers
- instructions for some children's games from India
- a resource list
- art ideas and writing ideas
- music for the song from the video
- lots of bits and pieces to engage your kids and make your lessons more interesting!

Instructions for sending in children's work to the Kids 4 Kids Advocacy Project

- for the response recommended in Lesson 3 – Speaking out, to create a piece of artwork or a piece of writing on the topic: What I want for the children of the world
- instructions for sending the work in to TEAR Australia for publication
- submission slips to accompany the children's work.

Arguably, the World's Most Useful Gift Catalogue

- for use in Lesson 2
- contact TEAR if you would like more copies of this popular resource.

Brochures

- a general brochure about TEAR Australia and its work , for your information
- a TEAR Australia Resource Catalogue
- a brochure about Children@Risk, one of TEAR's giving programs, which you and your group may wish to take up.
