If there is a skill you want to teach the girls, and there is no badge, you can create your own. At the end of the badge book there is a blank badge for you to get creative!

FIRST STEPS

- what do you want to teach them?
 - Biblically
 - Practical skill

WHAT DOES THE BIBLE HAVE TO SAY?

- How could you use that skill for God, or how does it remind you of a bible story or Gods nature?
- Find some bible verses or bible stories to teach the girls what you discovered in the previous step

HELP THEM LEARN IT

- add in some activities - quizzes, crosswords etc are good. Help them discover more of the skill through these things.
 - You can make your own puzzles online at sites such as these
 - www.puzzle-maker.com
 - www.discoveryeducation.com
- teach the skill
 - Make this fun and interactive

PUT IT INTO PRACTICE

- share it and use it for God's glory
 - use the skill to make something
 - bless others with their new found skill

MAKE IT PRETTY

- Scan an image of the blank badge, most photo copiers and printer have this function, save it as a Jpeg or other image file
- You can use a program like Microsoft Publisher, to make the badge just like the ones in the book.
- Place the image on the page as a background image and put text boxes and images over the top.
- Remember to save a PDF if you plan to email it, or you can print it straight from the document

MEMORY VERSE

Titus 2:3-5 ESV

Older women likewise are to be reverent in behavior, not slanderers or slaves to much wine. They are to teach what is good, and so train the young women to love their husbands and children, to be self-controlled, pure, working at home, kind, and submissive to their own husbands, that the word of God may not be reviled.

AIMS:

- ✂ To encourage Leaders to be creative
- ✂ To enable leaders to be able to teach girls skills outside the badge book
